

Trelawny 2.0

A good town, all with well-washed hands
A merry heart and true
Camborne folk shall understand
What team spirit can do

And spare a thought for those who shield
Who need some help to shop
Let kindness be the gift you wield
Til all this hardship stops

CHORUS

And while we all keep safe
We'll hold our heads up high
There's 20,000 Camborne folk
Who know the reason why

So out went handshakes, hugs and meets
But smiles are still allowed
While Camborne Town's dear heart still beats
We know you'll do us proud

We'll cross the street, to give you space
A face mask, we shall wear
With one and all and sense of place
You'll know that Camborne cares

CHORUS

And when we come to COVID's end
A pleasant sight to view
Come forth, come forth, key workers all
So we can say thank you

Well, Camborne is in keep and hold
But courage still stands high
And 20,000 Camborne bold
Will know the reason why

CHORUS
