BID CAMBORNE LOYALTY CARD

Camborne Town Loyalty Card

Terms and Conditions

BID Camborne has introduced a loyalty card to reward new and loyal customers to the best little town in the West.

How?

You may receive 1 stamp, per business, per day on your card. If you fill up your card with 10 stamps in one day then you are our kind of person, but even if you shop in Camborne occasionally and take longer to fill up your loyalty card, we still want to reward you for it!

There is no limit to how many times you can complete a Camborne Town Loyalty Card either per month or on an ongoing basis. Details regarding participating shops/businesses can found via the Loyalty Card page on www.cambornetown.com/about-camborne/useful-info/camborne-town-loyalty-card

Any shop or business within the BID boundary is eligible to participate, of course this is their choice. We ask that you please respect the wishes of those who have decided against joining the scheme. You can check the BID boundary at this link: <https://www.cambornetown.com/wp-content/uploads/2021/07/BID-camborne-boundary-resized.jpg>.

Since all businesses are different, we expect participating businesses and shoppers to apply an element of common sense and fairness, for example it is not reasonable to expect to get a stamp for a single penny sweet nor is it fair to expect to get multiple stamps in businesses where, by definition the price point is higher e.g. buying a professional service. The general rule is one transaction counts as qualifying for one stamp. We suggest a minimum purchase of £2.

If you forget to collect your stamp this may be given at the shopkeeper's discretion, providing you have proof of purchase. BID members premises where transactions take place without money being spent, for example obtaining advice, visiting a library, etc, may receive a stamp on the same basis of one stamp, per business, per day, providing that establishment has chosen to participate in the scheme.

Exemptions

Directors and officers of BID Camborne are not eligible to be entered in the prize draw. Employees of BID Camborne team members may participate in the scheme, but cannot get their card stamped in their workplace and cannot choose vouchers for their workplace, should they win a prize.

When?

Each time you have a completed a Camborne Town Loyalty Card it should be returned to one of the four collection points below or to the BID Camborne address below to be entered into the prize draw which will be held on the 10th of each month. If your card is received later than 23:59 on the 9th of the month it will be carried forward into the following month's draw. Each month a first prize of £100 of shopping vouchers for the BID Camborne business(es) of your choice will be drawn, a second prize of £75 of vouchers and a third prize of £50 of vouchers. Incomplete cards will not be entered into the draw, please continue to collect stamps, and enter in the following month. Winners will be notified within 7 working days.

Collection Points: Tyacks Hotel reception (Commercial Street), Up Memory Lane Interiors/MRH Saddler (Trelowarren Street), Delight 2 Bite (Cross Street), Tesco customer service (Wesley Street) and BID Camborne Office letterbox (College Street).

Please keep your card safe as due to the nature of the scheme, lost or stolen loyalty cards cannot be replaced. The terms and conditions listed here are inclusive, not exhaustive and the decision of Camborne BID is final.

Happy Shopping!
